INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll.* Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

My name is Thomas J. Welch. I was born in Dent Co. Mo. in 1850. I claim my Cherokee blood thru my Father. I make no claim thru my mother . I think my father was born in Tenn. I don't know when my father was born. I have understood that my father was born in Tipton Co. near Dresden, Tenn. I have been told that my father got his Cherokee blood thru his father, John Welch. My grandfather was born in the old Nation East. I don't know what county and state. I dont know the year in which he was born. My uncle told me that my father and grandfather thru whom I claim lived as members of the tribe in the Old Nation. I have never been told in what Co. and State they lived with the Cherokees. In 1835 I do not know where my father and grandfather lived. I dont know the year in which my father and grandfather came to Mo. In 1851 my father and grandfather thru whom I claim lived in Dent Co. Mo. None of the ancestors thru whom I claim were ever enrolled that I know of. None of the ancestors thru whom I claim ever received any money or land from the government on account of having Cherokee blood. I made application to be enrolled before the Dawes Commission but my claim was rejected. I do not know why it was rejected. I was never enrolled and never got any money or land. None of my relatives ever came with the Cherokees from the Old Nation to the Indian Territory. I made application to be admitted as citizen to the Cherokee Nation in 1883 but I never got any money and was never admitted.

I have been told that my grandfather was a half-blood Cherokee. My grandfather John Welch, was a soldier in the war of 1812.

Lucinda Shannan, being first duly sworn, deposes and says:

My name is Lucinda Shannan and reside in Hill ity, Tenn. I am 58 years of age. I claim relationship to the Cherokee Indians through my mother, Fannie Guy, who was married to a party named Roach. My mother was born in Cherokee County, Ga. My father always told me that my mother was a quarter Cherokee Indian and that my grandmother was a half Cherokee Indian. They were always recognized as white people and were not slaves. I have heard my father say that my grandparents lived amongst the Indians in Cherokee Co., Ga., where they were married. I know of no enrollment of my parents or grandparents with the Indians. I was born in Cherokee County and was raised in Walker County. I should have testified that my grandfather was a half Cherokee Indian instead of saying my grandmother. My grandfather's name was William Guy. In the application the name given as Marion Guy should have been Willian Guy.

No. 17951 Miscl.

Mary Adkins, being first duly sworn, deposes and says:

My full name is Mary Adkins and I reside in the City of Chattanooga, Tenn. My first husband's name was Aaron McNew, by whom I had six children, but only two of whom are now living, one being Robert McNew, of Chattanooga, Tenn. who has filed claim (Appli. No. 13029). In my application the party who drew same up failed to put in this information. I claim relationship to the Cherokee Indians through my father, King Burgess, who was a full blood Cherokee Indian, and through my mother, Betsie Burgess, who was a three-quarter Cherokee Indian. I was born in 1851 in Warren County, Tenn. My parents were born in Warren County, Tenn. and I was raised in Cherokee Co., Ala. I know of no enrollment of my parents or grandparents as Cherokee Indians. My parents and grandparents were recognized as white people and associated with white people and were not slaves. I remember my grandparents leaving with the Indians to go to the Indian Territory, but my parents remained in Alabama. My mother had a cousin whose name was Cowart. My mother's aunt was named Pack.

Dear Sir:-

Yours of Feb. 29th received, and in reply will say that I resided in Polk County, Tenn., near the Georgia line, near Alaculsey, Tenn. during 1882, and if Iwas not enrolled with the Cherokees I cannot understand why it was, unless it be that that is in a mountainous country, and, perhaps, we were over looked.

My father's name was Marion Bettis, and my mothers name was Hannah Bettis. My grand mother's, on my father's side, name was Nancy Crisps, and she was one-half blood indian, that would make me one- eighth blood indian. They also lived in Polk County, Tenn. where they were born and raised. I cannot tell you whether or not they were enrolled in 1851 or 1834-5. They lived at that place all their lives.

My people were none of them slaves.

If there is any other information that I may be able to give you please let me know and oblige.

This is case No. 17038.

Dear Sir:-

In reference to the Indian claim of Angeline Palmer, No 17938 I wish to say that at the time proof was taken here in June last, Mrs Angeline Palmer was in jail charged with a crime and of course could not have had her proof taken at that time, as she had had no notice of it.

About a week after you were through taking proof here two letters were brought to her at the jail by a friend which you had written her addressed to Ridgedale Tennessee. Please advise me when and where her proof can be taken, so that I may attend to it.

I personally knew Mrs. Scott's mother and father and also her grandmother and grandfather. I have always heard it claimed that John Stancel, the grandfather, was about a quarter Cherokee Indian. Her great-grandfather was a half blood Cherokee Indian. I know of no enrollment of her grandfather or great-grandfather. I will soon be eighty-seven years of age and have a pretty good memory and understanding and remember distinctly past events. The time I speak of when we were boys was back about 1846 and 1847. I know of no enr llment of Indians at that time, and I was with them and would have known if any enrollment had been made. One of the sons was named George Stancel, who was a lawyer in Georgia.

App. No. 17962. Misc.

J. H. Hornbuckle, --- being duly sworn, ~~dhposes~~ and says:

My name is J. H. Hornbuckle. My age is about 61 or 62 years. I was born in North Carolina. I came out here about 10 or 11 years ago. I did not get the strip payment. I did not get an allotment as they said I was too late. I do not know whether I was enrolled in 1851. I never got any money from the Government. I was living in North Carolina in 1851. My father died before I was born. I get my Indian blood from my father, a Cherokee. His name was Charlie Hornbuckle. He died before 1851. My mother was supposed to be a white woman. I don't believe I can name my father's brothers. It seems to me he had a half-brother named Jeff. I don't remember his Indian name. My mother left the nation after my father died and went back to her home. I don't know whether Jefferson Hornbuckle was living in 1851. I don't know whether he had any sisters. I don't know my father's father's name. My father's mother's name was Al-kin-ney, I think. I cannot name any brothers and sisters of my father's mother. She lived in North Carolina and never came west. She has been dead since the time of the war. She was pretty old. I do not know any of Jefferson's children. I have never associated with any other tribe of Indians. I have always been recognized as part Cherokee. I do Not know whether any of my people were ever Old Settlers. I got my papers fixed up in Jackson County, N. C., and came here to get my rights but was told that it was too late.

My name is Hettie Haiflich. I am about 40 years old. I live in Collinsville, Oklahoma, Rogers County., Coo-wee-scoo-wee District. I have lived there nearly all my life. I was born in Saline District and left there when a child. I claim Cherokee blood. I am a full-blood. I was enrolled by the Dawes Commission, Cherokee Roll #12890. I was enrolled before and got bread and strip money. I don't remember whether I was enrolled in 1884. I get my Indian blood on both sides. My mother was Nancy Vann, and she married ~~xxxxxx~~ Peter Procter. My mother is dead. She has been dead 12 years. She lived in this same District. She lived about Fort Gibson before the war. I don't know whether she was enrolled in 1851. I do not think she ever associated with any other tribe of Indians. She was not regarded as an Old Steeler. Both of her parents were Indians. I cannot tell you my grandmother's on mother's side. I think they came from the Eattern States. My father was Peter Procter. He is dead. He died about four years after Peace. I do not know where he was born but think somewhere down near Sequoyah. Skin Bayou then. I don't know whether he was ever enrolled. I never heard him say anything about getting any money from the Government. I don't know of any reason for his not being enrolled if he was not. I don't know my grandparents on my father's side. I have an uncle at Fort Gibson. I do not know whether they evr goy any money. I don't know whether they were ever regarded as Old Settlers. I don't know whether my people took part in council meetings of the tribe. I have brothers and sisters. My sister was Mary Ellen Galcatcher. She married a Sixkiller. She is a half sister by the same mother. I have two half brothers by the same mother. I have a sister Lucy Galcather. Lucy McFarland is her married name. She lives at Collinsville. Tom Galcatcher and George Cochran or Wallace are my brothers. They were enrolled by the Dawes Commision. Kanawn Vann was my mother's brother. He lives at Fort Gibson. I think he always lived down about Fort Gibson. An Aunt, is Polly Tadpole, my mother's sister. She was Polly Vann. She lives in Illinois District, or Saline District. My mother's Cherokee name was Nanche or Nancie. My father was ...ue-ta. He had a brother Charlie Procter, Indian name Kee-nar-tee-te. Another was John Procter, Indian Ah-yun-ta-ke. I had an aunt Ceily or Sarah Procter, Indian Ce-le. I know nothing about my grandparents on either side.

App. No. 17970 - 17425

Hettie Haiflich being first duly sworn, deposes and says:

I am about 40 years of age. I got my Indian blood from both parents. I was born and raised in Oklahoma - in Saline District. I got the strip payment. My Cherokee Roll number is 12389 by the Dawes Commission. My father's name was Peter Proctor. He was born and raised in Oklahoma - in the eastern part of the state. He died when I was but two years old. He was living in 1851, but just where, I don't know. I don.t recollect either of my father's parents. He had a sister named Sarah, also another sister, but I don't remember her name. I think they were younger than my father, but I cannot sure. Peter had a brother named John. Also one named Charlie. I don't know the names of my grandparents on my father's side, ~~nor~~ Colly was the Indian name for Sarah.

My mother was Nancy Vann. She married Proctor. She is dead. My mother would be about 60 if she were living at the present time. Then my mother married a Galeatcher the second time. Eve Vann was the name of my grandfather. Polly Tadpole was the name of one of my mothers sisters. Janie or Sallie was the name of another sister of Nancy, tho' I am not sure about this name. Wallace or Canawn Vann was a brother of my mother.

Lucy McFarland (17971) is a half sister of mine. Her father was Tom Galeatcher. Her grandfather was Galeatcher. Tom had a brother named Jim. ~~Elizabeth Galeatcher nee Downing was the name of Tom Galeatcher's grand mother. Tom had a sister named Rebecca Galeatcher and she married a Muskrat.~~

None of my people ever received any Old Settler money. I suppose my folks drew money in 1851. Elizabeth Galeatcher nee Downing was the name of Tom Galeatcher's grand mother. Tom had a sister named Rebecca Galeatcher and she married a Muskrat.

I never associated with any other tribe of Indians - also remained with the Eastern Cherokees. (Witness knows nothing about her ancestry).

Sir

In answer to your inquiries as to my residence in 1852, this is to state that I was living with Ackworth, Cobb Co, Georgia. My reasons for not being enrolled in 1852 was that I knew nothing of the enrollment at that time. I was a slave of white people at that time in the State of Georgia. I do not know where I was in the years 1849 & 50. I do not know where my parents were at that time.

Matilda Davis, Can.,

Madam:

Relative to the application filed by you on behalf of your minor child Frederick, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, give the date of the child's birth, and state whether he is living at the present time. He is now living was born Aug. 16, 1888

Give the names of the child's great grandparents on his father's side. State where they resided in 1834-35? Bettis was the Great Grandfather-not an Indian Nancy Bettis was the Great Grand Mother and was ½ Cherokee Indian. They people lived in Polk County Tenn in 1834-35-

Where was your first husband, John Johnson, residing in 1882, and why was he not enrolled with the Eastern Cherokees at that time? John Johnson lived in Murray Co. Ga in 1882 away in the country and knew nothing of enrollment at that time.

Very respectfully,

Guion Miller,

Special Commissioner.

John Johnson was born before his mother and father were married and he therefore took his mother's name "Johnson" rather than "Bettis" his father's name.

Nancy Bettis was the wife of Billie Sands before marrying the second CHB/ALS time to Bettis. Her maiden name was Nancy Crisps.

Dear Sir:-

Very truly yours.

Chas. Curtis.

EASTERN CHEROKEES.

App. 17991.

April 22, 1907.

Hon. Charles Curtis,

Topeka,

Kansas.

Sir:-

Your letter of April 16, 1907, addressed to the Honorable Secretary of the Interior, making inquiry as to the status of the application of John H. Swift, of Pittsburg, Kansas, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, has been referred to this Office for reply, and I have the honor to advise you that this application is duly on file as No. 17991 and will be taken up for consideration in its regular order.

There are certain questions now pending before the Court of Claims which will have to be disposed of before the work of adjudicating these applications can be taken up. These questions are set forth in full in the inclosed pamphlet. The decision of the Court is expected at an early date, but there will then remain a very considerable amount of work before a final conclusion can be reached as to any of the applications filed.

#2--Hon. Charles Curtis:

There are now something over 22,000 of these applications, and it is possible that the Court may direct an extension of time for the filing of applications, which would probably increase the number of the same.

Very respectfully,

Acting Commissioner.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita.*

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 17991 for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. FEB 1 1908
No. 17991

HOUSE OF REPRESENTATIVES.
WASHINGTON.

January 30, 1906

Gentlemen:-

Please see the enclosed letter from Mr. John H. Swift, of Pittsburg, Kansas, regarding headright for himself and daughter.

I will esteem it a favor if you will advise me fully in this matter, both as to the status of this claim and what is necessary to complete it.

Very truly yours,

D. D. Campbell

Bureau of Indian Affairs,
Department of the Interior.

Appln. No. 17991.

February 1, 1908.

Honorable C. D. Campbell,

House of Representatives,

Washington, D. C.

Sir:-

Your letter of January 30, 1908, addressed to the Honorable Commissioner of Indian Affairs, and inclosing a letter from Mr. John H. Swift, of Pittsburg, Kansas, has been referred to me for reply.

In reply I have the honor to report that Mr. Swift's application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, has not been reached for final consideration, and I cannot advise you at this time whether or not he is entitled to participate in this fund, nor when the payment of this fund will be made.

When this office has completed the examination of the applications, grouped them into families, compared them with the rolls of the Indian Office, and in many cases where the applications and other proof are insufficient, taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these ex-

ceptions and the final roll has been approved by the Court no money can be distributed. As there are over 44,000 applications on file it will necessarily take considerable time to complete the work.

Mr. Swift's letter is returned, herewith.

Very respectfully,

Special Commissioner.

WLC.

Dear Sir.

In answer to your
questions will answer as follows
In 1882 I was living in
Auburn Nebraska. Us to
enrollment my mother was
uneducated and I did not
know it necessary that I
should be. The same reason
will apply as to the reasons
my parents were not
enrolled in 1854. They

did not know I was necessary
In 1834-35 my parents
were living in Morgan
or Benton Co. Mo. but can't
say positively which one.
Grandparents were residents
of Mo in 1834-35.
Aunts & Grandparents were
never known to my knowledge
that Grandmother Susanna
Cobb's name was Driscoll
but do not know where she
resided. in 1835 She may have been
dead as there no record
of her death.

CNB

My mother's youngest brother Larkin Bolt was killed by the soldiers while he was crossing the plaintiff's premises on Trail during the civil war. The negro fled at the soldiers and she could not talk to us or explain anything to us and had to flee.

Hoping to hear from you soon I remain

Honorable P. P. Campbell,

Kansas.

Sir:

Your letter of July 31, 1908, addressed to the Honorable Commissioner of Indian Affairs, has been referred to this office for reply.

Relative to your inquiry in regard to the application of Mr. John H. Swift, of Pittsburg, Kansas, for participation in the Eastern Cherokee fund, you are advised that this application has been given a preliminary examination but it has not yet been finally acted upon.

A great many cases have been filed and in many instances testimony will have to be taken locally in order to obtain the necessary information to pass upon the claims. Some of this testimony has already been taken and several parties are now engaged upon this work, but it will necessarily take considerable time to complete the taking of testimony and the final adjudication of the claims.

If we are unable to reach a conclusion as to Mr. Swift's case he will be notified to appear before one of my assistants at some convenient point to furnish the additional testimony required.

Before me , J. D. Tanner, a Notary Public, in and for said State and County, personally appeared S. H. Brannan and made the following statement under oath relative to his claim for participation in the Eastern Cherokee Fund, the same being application number 17999:-

I claim under my grandmother, Phoebe Reader, who was the wife of Thos. Brannan, my grandfather.

Phoebe Reader lived on the south side of the Tennessee River in Roane County, Tennessee; in 1834 and 1835 and up to 1851 and later. She was one-half Cherokee Indian but her husband, my grandfather, was a white man and I suppose the reason she was not enrolled was because of her ignorance as to the necessity for it and possibly also because she was married to a white man and not having lived among the Indians.

1882 I resided on Waldens Ridge near Spring City, Tennessee and was not enrolled because I was ignorant of the necessity for it.

Honorable R. W. Austin,

House of Representatives,

Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your communication of January 27, 1910, inclosing a letter from Mr. Samuel H. Brannan of Rockwood, Tennessee, relative to his Eastern Cherokee application.

In reply you are advised that on May 28, 1909, I reported to the Court of Claims recommending that this claim be rejected for the reason that it did not appear that claimant's ancestors were ever enrolled with the Eastern Cherokees, or that they were parties to the treaties of 1835-6 and 46, and that he failed to show any genuine connection with the Cherokee tribe. Mr. Brannan was sent a letter on June 10, 1909 notifying him of the recommendation which I had made, and informing him that if he wished to file an exception to my report he should do so prior to August 31, 1909. It does not appear that he has filed any exception to the report.

Mr. Brannan's letter is returned herewith.

The Doctor's All Agree.

The most eminent writers on *Materia Medica*, whose works are consulted as authorities by physicians of all the different schools of practice, extol, in the most positive terms, the curative virtues of each and every ingredient entering into Dr. Pierce's Golden Medical Discovery. In fact it is the only medicine put up for sale through druggists for the cure of all diseases of the mucous surfaces, as nasal catarrh, throat, laryngeal, and bronchial affections attended by lingering, so-hang-on-coughs that has any such *professional* endorsement—worth more than any amount of lay or non-professional testimonials.

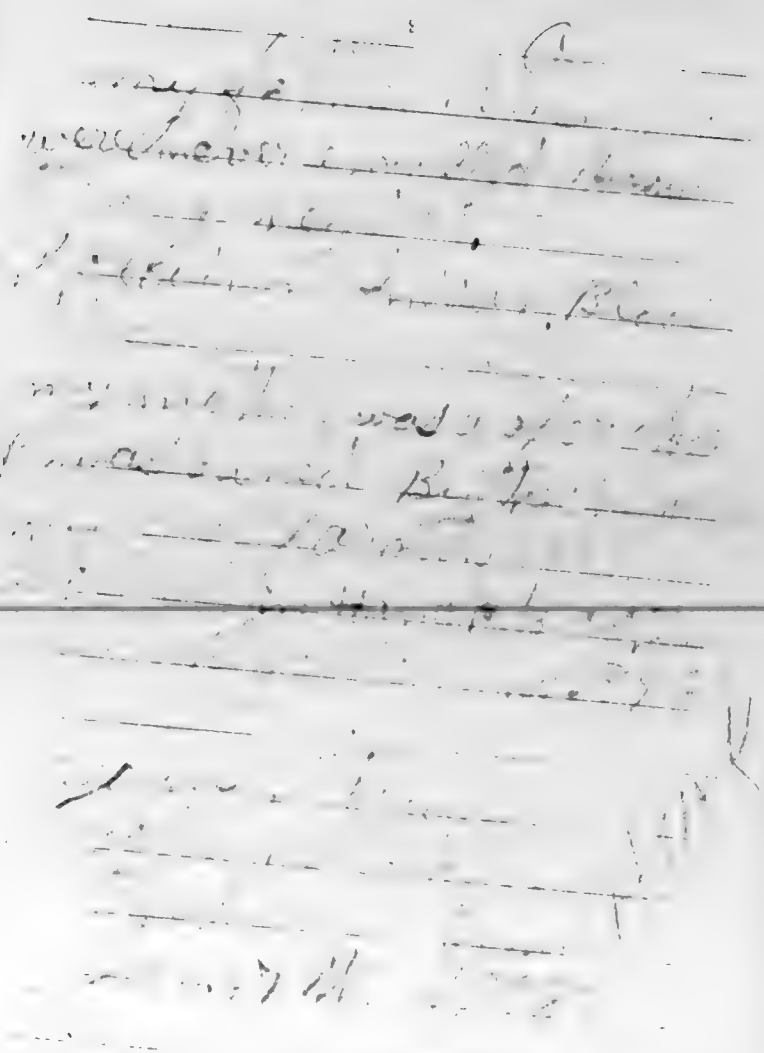

Do not expect too much from the use of Dr. Pierce's Golden Medical Discovery. It will not work miracles. It will not cure consumption in its advanced stages. No medicine will. Nor is the "Discovery" so good for a sudden attack of acute cough, but for the lingering, obstinate, hang-on coughs, accompanying catarrhal, throat, laryngeal, and bronchial affections, it is a most efficacious remedy. In cases accompanied with wasting of flesh, night-sweats, weak stomach and poor digestion with faulty assimilation, and which, if neglected or badly treated are apt to lead to consumption, the "Discovery" has proven wonderfully successful in effecting cures.

The formula is printed on every wrapper of "Golden Medical Discovery," attested as to correctness under oath, and you can't afford to accept any substitute of *unknown composition* for this *non-secret remedy* no matter what selfish interests may prompt the dealer to urge such upon you. John Parker,

Sir:

You claim a right to share in the distribution of the Eastern Cherokee Fund through your father, Doctor Parker, whose name fails to appear on any roll made of the Cherokees. Do you know why neither he nor his parents were enrolled with the Cherokees?

Do you claim Indian blood through your mother? Was she a white woman, an Indian, or a negro; if negro, was she ever held as a slave and was she owned by white people or Indians?

Where did your grandparents live in 1851 and why were they never enrolled with the Eastern Cherokees?

Please give this matter prompt attention and refer in your reply to the number of your application.

It does not appear that applicant or any of her ancestors were enrolled. It does appear that applicants mother, from whom she claims, never lived with the Cherokee Indians, and that she was recognized as a white woman in the community in which she lived

My name is Amanda C. Shipp. I live at 503 Curtis Street, Chattanooga, Tenn. I was born in 1853 in Cass Co. Ga. I claim through my mother. My mother was 75 years old when she died. She died in 1890. I claim to be connected by blood to the Cherokee tribe of Indians. I have been taught that from a child up. My mother's mother belonged to the Cherokee tribe. My mother never lived with the Cherokee tribe as I know of. My mother was recognized as a white woman where she lived. I don't think my grandmother ever lived with the Cherokee tribe before my mother was born. She left the Cherokee tribe just before my mother was born. My grandfather was a white man, so my mother said. I never heard that my mother or grandmother ever received any money or lands. I never was enrolled or never got any money. I was living near Chattanooga in 1882. I don't know that my grandmother ever had any Indian name. I never heard of any.

Madam:-

Replying to your letter of August 8, 1907, you are advised that the applications for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees have not been taken up for final consideration, as the Court in its order of April 29, 1907, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 33,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

HLC

Special Commissioner.

Mr. Guion Miller,

Dear Sir:-

Our client, W. A. Whitice, whose claim, No. 18030, for distribution, Cherokee fund, writes us that he has received a letter from you asking a number of questions, and he answers them as follows:

1. "I am a great grand-son of Josiah Reed, who lived and died in Stokes County, North Carolina. My grandfather, Josiah Reed, some time in the '30's lost his mind and was put in an asylum and died some time in the '40's. He died a raving maniac while in the asylum. I suppose that is why he did not enroll at that time."

2. "My grandmother was a daughter of Josiah Reed and she lived in Madison County, North Carolina, in 1851. I suppose the reason her enrollment was neglected was owing to Grandpa Reed's losing his mind. The family scattered. My grandparents were not slaves. Neither my parents nor my grandparents were slaves."

As the letter to which these statements are a reply was addressed directly to Mr. Whitice and did not go through us, we cannot give you the questions and answers categorically, but presume the above will answer the questions asked. It would aid us somewhat in represent-

ing this party before your office if we could have either copies of the letters you send to him direct sent to us, or have his letters sent through us. We will endeavor to secure promptness in all replies.

This will serve as an answer also in the cases of Rolla R. Whitice, No. 18184, and Folson C. Whitice, No. 18193.

Dear Sir;

Yours of 2nd. Inst. received. Contents read and noted. In reply I wish to say that I resided in Athens Gedrgia in 1882. I did not know the necessity of having my name enrolled at that time. I have no authentic account but my grand-father was supposed to be enrolled.

My grand-parents resided in Wilkes County in 1834-35. My grand-father, Hugh Saxton on whose side I claim, resided in Wilkes County in 1834-35. My grand-mother was a slave. She was owned by white people. My grand-father was a full-blooded Cherokee Indian. I have conscientiously answered all the questions to the best of my ability and trust that it shall prove sufficient to establish my claim.

March 8,1907.

Honorable F.E.Leupp,

Commissioner of Indian Affairs,

Department of the Interior,

Washington, D.C.

Sir : Enclosed you will find the application of Mrs. Mary Charlotte Roberts, of Franklin, R.F.D. No. 1, Tennessee, for share in the fund to be distributed to the Eastern Cherokees, under decrees in the Court of Claims of the United States .

By reference to the rolls of attorneys you will find that I have been admitted to practice before the Department of the Interior, and I represent Mrs. Roberts, as her attorney in this matter. If further or formal authority to appear for her is required, kindly indicate the form desired, and I shall furnish same .

Mrs. Roberts has set out as fully as she is able her family history. She is a grand-daughter of Mary Coody, who was a Cherokee. Mary Coody married Nicholas D.Scales, a white man. Her information is that Mary Coody died about 1851, but Nicholas D.Scales lived for some time after this. The mother of the applicant was Nancy J.Scales, who married Abner Sayers (white). The indian blood all comes through Mary Coody. While the applicant has no proof, it is a matter of repute in the family that Mary Coody was a nieve of John Ross, the celebrated chief of the Cherokees. Kindly advise me, by return mail if possible, if the name of Coody or Scales appears in the enrollment of 1851 , of if this enrollment throws any light on the ancestry of the applicant as disclosed in the application .

The applicant and her husband and family are among our

best poeple, stand well socially, and for truth and veracity of statement, none could stand higher. I have known the family many years, knew her mother Mrs. Nancy J.Sayers(mentioned in the application) who died about 1892. It was a matter of general repute, and was generally understood in the neighborhood that she was a grand-niece of John Ross . Her indian blood was readily recognized in her face and features .

Some years ago Henry D.Sayers and William T.Sayers went to the Territory and there claimed their allottment of lands, and same was allowed to them . I have not the proof which they submitted , but assume that such appears in the records of the Department .

I should like very much to know of these matters, and if the applicant's claim can be established, that is if the proper enrollments have been made, it is probable that her brothers and sisters , who live here may also apply, and to this end kindly send me several additional applications .

Very respectfully,

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. MAR 12 1908
No.

In matter of distribution of fund belonging to the Eastern Cherokees, and referring particularly to application No. 18042, Mrs. Mary C. Roberts, R. F. D. # 1, Franklin, Tennessee.

Responding to inquiry of Guion Miller, special commissioner dated March 2, 1908, I Mrs. Mary C. Roberts make oath as follows:

1. I do not know as a matter of fact where my grandmother Mary Coody Scales was born nor do I know the exact date of her birth, but my information is that she was born in the Cherokee nation in Georgia. My mother was born in Georgia in 1825, and information from her was that about 1834-5 my grandmother Mary Coody Scales was living in the Cherokee nation in Georgia.

2. I do not know why my mother and my self were not enrolled with the Eastern Cherokees in 1851, if such be the case. I was born in 1848 and of course was a small child in 1851, and could not know anything about this matter then. Prior to 1851, I do not know the exact date my grandfather and grandmother started to the territory West of the Mississippi River, and my grandmother died on the way. Prior to 1848 my mother had married my father Abner Sayers, and they had removed to Williamson County Tennessee to live, and this may account for the fact, if such be the fact, that she and my self were not enrolled with the other Cherokees. I was born in Williamson County Tennessee, and have resided here continuously ever since, and was residing here in 1882.

My father Abner Sayers was of pure Caucasian blood, and neither my father nor my mother were ever slaves to any one.

Witness my hand this March 6, 1908.

Mrs. Mary C. Roberts

Personally appeared before J. B. Patton a Notary Public for Williamson County Tennessee, Mrs. Mary C. Roberts, who made oath in due form of law that the statements made in the foregoing affidavit and deposition are true to the best of her knowledge information and belief.

Sir:

In Re. claims of Eastern Cherokees:

I represent Eastern Cherokee claimants, numbers as follows:

18042.	Mary C. Roberts
18042.	Mary C. Roberts minor children.
18809.	John H. Sayers
18809.	John H. Sayers minor children
19114.	Sarah J. Wilson
19114.	Sarah J. Wilson minor children
19683.	Cora A. Irwin
19683.	Cora A. Irwin minor children
19684.	Joab S. Sayers
36160.	Annie May Wilson.
36161.	William Ross Sayers.
36162.	Thomas Hilary Roberts.
36163.	Abner Wade Roberts
36164.	John B. Roberts

These claimants have been advised that their claims have been rejected and their names omitted from the roll of Eastern Cherokees reported to the Court for participation in the distribution of the fund now being administered by the Court of Claims. I have before me copy of letter addressed to claimants whose claims were rejected under date of June 10, 1909, containing copy of the rule of the Court allowing exceptions on or before August 30, 1909. The above claimants desire to except, and to submit further proof in an effort to establish their right to participate in the distribution of the fund. All of these claimants claim their right to participate through a common ancestor, namely Mary or Polly Coody. The proof which they desire to submit will be certified copies of the census rolls of the Cherokee

nation for 1880ϕ and 1896, and also a certified copy of an entry in the enrollment case of William T. Sayers et al on the citizenship docket of the Cherokee nation dated September 11, 1884. These records establish the fact that Joseph A. Scales, for some years a member of the Supreme Court of the Cherokee nation, was a son of Nicholas D. and Mary Scales. This Mary Scales was Mary Coody. The enrollment case of William T. Syaers et al establishes the fact that William T. Sayers, of Adair Okla. was a nephew of Joseph A. Scales and that both Joseph A. Scales and William T. Sayers were of the Cherokee blood, being the son and grand son respectively of Nicholas D. and Mary Scales. I will further show by affidavits that the claimants above named are the children and descendants of Sarah Jane (Scales) Sayers, who was a brother of Joseph A. Scales, and a daughter of Nicholas D. and Mary Scales. And I will also show by affidavit that the claimants are brothers and sisters and nephews and nieces of the William T. Sayers above mentioned, and that they too are descended from Nicholas D. and Mary Scales. I have observed the rules laid down by the Court as to the form in which proof must be submitted,-

But permit me to inquire:

Will each of the above claimants be required to procure a certified copy of the records above referred to, to be filed with the separate exceptions required by the rule of the court? And will each claimant be required to file in duplicate affidavits establishing these facts? These certified copies will be the same in each case, and the affidavit will be the same in each case, in view of the fact that all of the claimants are the children of Sarah Jane (Scales)

R. H. CROCKETT
LAW OFFICES
FRANKLIN, TENN.

Sayers, who was the sister of Judge Jos/ A. Scales, whom the record referred to show was enrolled as a Cherokee, by virtue of the fact that he was the son of Mary Scales. If this fact authorized his enrollment, it would certainly authorize the children and descendants of his sister, both being children of the same mother, to now participate. To avoid the expense of procuring ten separate affidavits in duplicate, all of which will state the same facts, and ten sets of certified copies from the census roll and citizenship docket above mentioned, can you not agree that the above numbered claims may be consolidated, and the same affidavits and certified copies used for all. At least let one set of the certified copies suffice. I can have made a memorandum copy of the certified copies to be attached to the exceptions in each case referring to, and reciting, that the certified copy is filed for use in all of the cases. It occurs to me that this can be done, and it would relieve these claimants of the expense of paying for so many certified copies. In the examination of the claims of necessity these numbers would have to be grouped and examined at one time, and it occurs to me that one set of the certified copies of the record, and one set of affidavits sworn to, with uncertified and unsworn memorandum copies for each case, would suffice.

Kindly advise me on this at once so that I can proceed to prepare the exceptions for consideration.

I have the copy of the citizenship docket above referred to, which shows that William T. Sayers, who is a brother of the above claimants, was found to be of Cherokee blood entitled to registration and enrolled as a Cherokee September 11, 1884.

Very truly yours,

R H Crockett

Dear sir:-

Referring to Eastern Cherokee claims Mrs. Mary C. Roberts et al. 18042, (deseendants of Mrs. Nancy J. Sayers):

Would say that some time in August last, and within the time allowed by the Court, I filed exceptions to the first report of the Sepcial Commissioner, which denied claimant's claim, and submitted proof in support of these exceptions.

Kindly advise if any action has been taken with reference to these exceptions, and their present status.

Very truly yours,
